**A MESSAGE FROM VEL:** Most of the folks in this area know me and have purchased new Fords from me right here in this same location. You have saved money and have returned again and again. I wish to thank you for your business and hope to save you money again in the near future.

Those who do not know what it is like to save REAL money on a new car, come in this week . . . get acquainted . . . take home a free gift, and I'm sure we will be friends from the start.

Signed: Vel Miletich, President
